## Auto Rental Coverage

This benefit provides reimbursement for damages caused by theft or collision of the Rental Vehicle up to **\$75,000**. Coverage is available worldwide.

You are covered when You use a Covered Card Account and/or redeemable Rewards, to initiate and complete the entire Rental Vehicle transaction. Only You, as the primary renter of the Rental Vehicle, and any additional drivers permitted by the Rental Car Agreement are covered.

### What's Covered?

This benefit covers theft, damage, valid loss-of-use charges imposed and substantiated by the Rental Agency, administrative fees, and reasonable and customary towing charges (due to a covered theft or damage) to the nearest qualified repair facility. No other type of loss is covered. For example, in the event of a collision involving the Rental Vehicle, damage to any other driver's car, the injury of anyone, or damage to anything is not covered. Rental periods up to thirty-one (31) consecutive days are covered.

### How Does This Benefit Work?

In the United States, if the Rental Vehicle is for commercial and/or business purposes the coverage provided by this benefit is primary. If the Rental Vehicle is not rented for commercial and/or business purposes and is instead rented for personal reasons, this benefit provides secondary coverage and would be excess and supplemental to any other insurance available. If You do not have personal automobile insurance or any other insurance, this coverage acts as primary. Outside the United States, where this benefit is available, the coverage provided is primary.

### How Do You Use This Benefit?

1. Use a Covered Card Account and/or redeemable Rewards to initiate and complete the entire Rental Vehicle transaction.
2. Review the Rental Car Agreement and decline the Rental Agency's collision damage waiver/loss damage waiver (CDW/LDW) option or a similar provision. Accepting the Rental Agency's CDW/LDW coverage will cancel out this benefit. If the Rental Agency, outside of the United States, will not allow You to decline their CDW/LDW coverage, then this benefit is secondary to the Rental Agency's CDW/LDW coverage.
3. Some countries or Rental Agencies require a letter of coverage. Please check with the Rental Agency before You go. If a letter of coverage is required visit **chasecardbenefits.com** or call **1-800-352-2173**.

Before driving out of the lot, check the Rental Vehicle for any prior damage and bring any damage You identify to the attention of the Rental Agency.

This benefit is in effect during the time the Rental Vehicle is in Your (or an authorized driver's) control, and terminates when the Rental Agency reassumes control of the Rental Vehicle.

### What Vehicles Are Not Covered?

Certain vehicles are not covered by this benefit, including: antique cars (cars over twenty (20) years old or that have not been manufactured for ten (10) years or more), cargo vans, trucks (other than pick-ups), motorcycles, mopeds, motorbikes, limousines and vehicles that are rented with a driver, recreational vehicles, and

passenger vans with seating for more than twelve (12) people including the driver.

## Wondering if a vehicle is covered?

Call **1-800-352-2173**

## Cell Phone Protection

This benefit provides coverage for the Damage to, theft of, or involuntary and accidental parting of Your Cell Phone. An involuntary and accidental parting is the unintended separation from Your Cell Phone when its location is known, but recovery is impractical to complete.

You are eligible for this benefit when You charge Your entire monthly cellular service provider bill to Your Covered Card.

### What's Covered?

Coverage applies to all eligible Cell Phones listed on Your cellular service provider's monthly billing statement for the billing cycle in which the incident occurred.

Coverage is limited to the lesser of the following:

- The cost to repair the Cell Phone as determined by the diagnostic to repair the Cell Phone, less a \$100 deductible.
- The cost to replace the Cell Phone with similar features and functionality at the current market value at time of loss, less a \$100 deductible.
- **\$1,000 per claim** after a **\$100 deductible** has been applied to the replacement or repair cost.

Coverage is limited to a maximum of **three (3) paid claims per twelve (12) month period.**

Coverage is supplemental to and in excess of valid and collectible insurance or indemnity (including, but not limited to, cell phone

insurance programs, homeowner's, renter's, automobile, or employer's insurance policies). This means that if You have another insurance policy, this benefit will cover only the amount Your other policies do not. Deductibles You may have to pay under Your other insurance policies are covered. You would not have to file a claim under Your other insurance if the deductible on the other insurance is equal to or greater than the claim amount.

## **When Does It Apply?**

Coverage begins the first day following a payment of the cellular service provider bill and remains in effect until the last day of the calendar month following payment. If You pay a monthly cellular service provider bill with Your Covered Card and fail to pay a subsequent bill with Your Covered Card in a particular month, Your coverage period changes as follows:

1. Your coverage is suspended beginning the first day of the calendar month following the month of nonpayment with Your Covered Card; and
2. Your coverage resumes on the first day of the calendar month following the date of any future payment of Your monthly cellular service provider bill with Your Covered Card.

If Your Cell Phone is stolen as a result of criminal activity, You must file a police report within forty-eight (48) hours of the event.

## Extended Warranty Protection

This benefit extends the original manufacturer's U.S. repair warranty coverage by **one (1) additional year**. If You received a store provided warranty or purchased a service contract, this coverage begins at the end of the cumulative warranties and service contract. If the original manufacturer's U.S. repair warranty or a combination of the original manufacturer's U.S. repair warranty, store provided warranty and a consumer purchased service contract exceeds three (3) years there would not be coverage under this benefit. In no event will coverage from the original manufacturer's U.S. repair warranty, store provided warranty or consumer purchased service contract and this coverage exceed four (4) years from the purchase date.

To be eligible for this benefit, the item must come with a valid original manufacturer's U.S. repair warranty and You must charge all or a portion of the cost of the eligible item to Your Covered Card and/or use redeemable Rewards.

### What's Covered?

The benefit applies to purchases made both inside and outside the U.S. Eligible items given as gifts can also be covered.

Coverage is limited to the lesser of the following:

- The cost to repair the item
- The cost to replace the item with an item of like kind and quality
- The amount charged to the Covered Card and/or redeemable Rewards used (excluding shipping and handling)
- **\$10,000 per item** and a maximum of **\$50,000 per calendar year**

Note: Eligible purchases made with redeemable Rewards will be reimbursed in dollars.

We will decide whether to reimburse for the cost to have the item repaired or replaced, whichever is less. Maximum coverage limits apply.

If Your item is to be repaired, You may go to an authorized repair facility and file a claim for reimbursement. Only valid, customary and reasonable repairs made at the authorized repair facility are covered.

### How Does This Benefit Work?

The coverage begins at the end of the original manufacturer's U.S. repair warranty and provides one (1) year of coverage after it has expired. This benefit only covers what would have been covered under the original manufacturer's U.S. repair warranty.

If You received a store provided warranty or purchased a service contract, Our coverage begins at the expiration of the cumulative warranties and service contract. If the original manufacturer's U.S. repair warranty or a combination of the original manufacturer's U.S. repair warranty, store provided warranty and a consumer purchased service contract exceeds three (3) years there would not be coverage under this benefit.

Examples:

- On an original manufacturer's U.S. repair warranty of six (6) months, We would provide You with an additional twelve (12) months of coverage for a combined total of eighteen (18) months of coverage.
- On an original manufacturer's U.S. repair warranty of twelve (12) months, and a consumer purchased service contract of twenty-four (24) months, We would provide You with an additional twelve (12) months of coverage starting at the end of the consumer purchased service contract for a combined total of forty-eight (48) months of coverage.
- On an original manufacturer's U.S. repair warranty of six (6) months, and a consumer purchased service contract of thirty-six (36) months, there would be no extension of coverage under this benefit.

These documents will be required to verify Your claim.

- Boats, automobiles, aircraft, and any other motorized vehicles and their motors, equipment, or accessories, including trailers and other items that can be towed by or attached to any motorized vehicle

## Lost Luggage Reimbursement

This benefit provides reimbursement for the difference between the actual cash value (replacement cost less depreciation) and any reimbursement provided by the Common Carrier for the costs the Covered Traveler incurs to repair or replace their Checked Baggage, Carry-On Baggage, and/or personal property contained within that is lost, damaged, or stolen. The maximum benefit is **\$3,000 per Covered Traveler per Trip** (additionally, New York residents are limited to \$2,000 per bag and \$10,000 for all Covered Travelers per Trip). The maximum benefit per Covered Traveler per Trip includes a **sub-limit up to \$500 for jewelry and watches and a sub-limit up to \$500 for cameras and other electronic equipment**. The benefit amounts for jewelry, watches, cameras, and other electronic equipment are part of and not in addition to the maximum benefit amount. Payment of these benefit amounts reduces and does not increase the maximum benefit.

**Items the Covered Traveler inadvertently leaves behind on the Common Carrier are not considered lost or stolen.**

The Covered Traveler is covered when You charge all or a portion of the cost of the Common Carrier fare to Your Covered Card and/or use redeemable Rewards. Covered Travelers do not need to be traveling with You for benefits to apply.

Coverage for Checked Baggage begins when baggage is checked in and is under the care and control of the Common Carrier and ends when baggage has been retrieved by the Covered Traveler from the Common Carrier pick up area.

Coverage for Carry-On Baggage begins when the Covered Traveler boards the Common Carrier and ends when the Covered Traveler exits the Common Carrier.

### **Please Pay Special Attention to These Conditions:**

- If the Covered Traveler's Carry-On Baggage is lost, stolen, or damaged while on the Common Carrier, it must be reported to the Common Carrier as soon as the Covered Traveler exits the Common Carrier.

This benefit is secondary and payable on an excess basis over and above any amount due from any other valid or collectible insurance or any other form of reimbursement payable by those responsible for the loss.

### **What's Not Covered?**

This benefit does not apply to loss or theft of the following:

- Items that have been removed from Carry-On Baggage by the Covered Traveler and inadvertently left behind on the Common Carrier
- Documents or valuable papers
- Money
- Securities
- Tickets
- Checks

## Purchase Protection

This benefit protects an item You purchase against theft, damage, or Involuntary and Accidental Parting within **one hundred twenty (120)** days (ninety (90) days for New York residents) from the date of purchase. You are eligible for this benefit when You charge all or a portion of the cost of the eligible item to Your Covered Card and/or use redeemable Rewards.

Note: Eligible purchases made with redeemable Rewards will be reimbursed in dollars.

If a loss involves a portion of a pair or set, You will only be reimbursed for the item that was stolen, damaged, or part of an Involuntary and Accidental Parting, not the total value of the pair or set. This means that if You have another insurance policy, this benefit will cover only the amount Your other policies do not. Roadside Assistance is provided as a benefit under the Covered Card, there is no membership or pre-enrollment required. Just call **1-800-352-2173**.

### What is Covered?

24 hour road assistance events are covered up to a maximum of \$50 for each service event, up to four (4) events each year. Assistance will be provided for one (1) service event arising from the same service type during any consecutive seven (7) day period. Coverage includes:

- **Towing** – will arrange to transport the vehicle to the nearest repair facility or location of motorist’s choice.
- **Tire change** – must have a good, inflated spare located with the vehicle.
- **Battery assistance** - If your vehicle doesn’t start due to the vehicle battery being out of charge, assistance will be provided to jump start the vehicle, tow electric vehicles to the nearest charging station, or tow all other vehicles to the nearest qualified service facility.
- **Lockout service** – does not include key replacement.
- **Fuel delivery** – If You run out of gas, an emergency supply will be delivered to You with the cost for up to two (2) gallons of fuel covered.
- **Standard winching** - if Your vehicle is within 100 feet of a paved road or highway standard winching assistance is available.

Note: Any vehicle with wheels is covered under this program as long as it can be classified as ‘Light Duty’. ‘Light Duty’ vehicles are vehicles that weigh ten thousand (10,000) pounds or less. Vehicles weighing more than ten thousand (10,000) pounds are considered ‘Medium Duty’ or ‘Heavy Duty’ and are not covered under this program.

### How Does It Work?

Call **1-800-352-2173** to access roadside assistance.

- You will be asked Your location and details of the problem with Your vehicle. Assistance will be arranged with a reliable service provider.
- Weather conditions, time of day, and availability of service may affect assistance responses. Expectations for dispatch are set during the call, and an expected estimated time of arrival is provided based on the type of service required and Your disablement location.
- Roadside assistance is not available in areas not regularly traveled, in “off-road” areas not accessible by ordinary towing vehicles, or for over one-ton capacity trailers, campers, or

vehicles-in-tow. A secondary unit being towed behind is not included but can be accommodated for an additional fee.

- You must sign the provider's service acknowledgement at the time of service even if no cash outlay is required. Excess charges (if any) can be applied to Your Covered Card or other payment choice. You are responsible for excess charges (if any) incurred by the service provider responding to Your dispatch, even if You are not with Your vehicle (or it's gone) when the service provider arrives.
- If You experience a disablement in a rental vehicle, be sure to call the car rental agency before You call the roadside assistance provider, as many rental agencies have required procedures regarding roadside assistance services.

Coverage begins from Trip Departure Date and ends on Trip Completion Date for Trips up to thirty (30) days. For Trips lasting more than thirty (30) days coverage remains in effect until 12:01 a.m. on the thirty-first (31st) day following the Trip Departure Date. Coverage is reactivated when the Covered Traveler commences travel to their return destination on the Trip Completion Date.

## Common Carrier Travel Accident

- 1) is riding as a passenger in, entering, or exiting the Common Carrier for which the fare was purchased using the Covered Card and/or redeemable Rewards;

If the purchase of the Common Carrier passenger fare is not made prior to the Covered Traveler's arrival at the airport, terminal, or station, coverage will begin at the time when You charge all or a portion of the cost of the Common Carrier fare to Your Covered Card and/or use redeemable Rewards.

### **What's Covered?**

To receive payment under this benefit, the injury to, or death of, the Covered Traveler(s) must be caused by one of the following:

- An Accident that occurs while on a Trip as defined under When is the Covered Traveler Covered?;
- If, due to an Accident, the Covered Traveler has not been found within one (1) year of the disappearance, stranding, sinking, or wrecking of the Common Carrier in which the Covered Traveler was an occupant at the time of the Accident, then it will be assumed that the Covered Traveler has suffered a Loss of Life.
- If, due to an Accident, the Covered Traveler is unavoidably exposed to the elements and as a result of this exposure suffers a Loss.

In order to be covered, the Loss must occur within one (1) year after the Accident.

### **What Are the Benefit Amounts?**

<b>Coverage</b>	<b>Maximum Benefit Amount per Covered Traveler</b>

Common Carrier Travel Accident	\$1,000,000

This benefit will pay the Percentages of Maximum Benefit Amount for specific Losses as follows:

<b>Loss</b>	<b>Percentage of Maximum Benefit Amount</b>
Loss of Life; Loss of Speech and Loss of Hearing; Loss of Speech or Hearing and Loss of one Hand, Foot or Sight of One Eye; Loss of Both Hands; Loss of Both Feet; Loss of Sight of Both Eyes; Loss of a combination of any two of a Loss of Hand, Loss of Foot or Loss of Sight of One Eye	100%

If more than one Covered Traveler under the same Account suffers a Loss arising from the same Accident, We will not pay more than two (2) times the Maximum Benefit Amount (the aggregate limit of insurance). If an Accident results in benefits becoming payable, which when totaled exceeds two (2) times the Maximum Benefit Amount, the aggregate limit of insurance will be divided proportionally, based on applicable benefit amounts owed to all Covered Travelers.

If the Covered Traveler is eligible for coverage under multiple Accounts, then the Covered Traveler will only be covered under the Account which provides the largest Benefit Amount for the Loss that has occurred.
